LEGISLATORS VISIT COMMUNITY TO ASSESS NEEDS

State Rep. Paul Kollios (D-Millbury), and State Sen. John P. Houston, (D-Worcester), dealt with issues ranging from capital punishment to health care for the elderly as they toured Millbury on Friday, February 27.

Following breakfast at Happy's Restaurant, Kollios and Houston met with constituents at the Millbury Public Library. Both legislators explained the purpose of their tour as an opportunity to "let people know we're available."

Houston commented on the importance of libraries, stating "Public libraries have always been the cornerstone of democracy by making knowledge available to everyone. Knowledge should be accessible, free and universal." Houston also said that he would like to see libraries used as avenues through which any resident could access the status of any bill in the legislature through the use of library computers.

Patricia Cooney speaks with Rep. Kollios at the Library

Following a brief question and answer session at the Library, Kollios and Houston travelled to the Shaw Middle School to meet with approximately 140 seventh graders.

In introductory remarks, both Kollios and Houston gave an overview of their responsibilities as elected officials with Kollios explaining, "Our job is to propose legislation that we hope will become laws which affect the good of all the people. Everything that you do in life is affected by the laws that we pass." Kollios, in turning the podium over to Houston, also commented on the "good fortune" of having been appointed co-chair, with Houston, of the Legislature's Joint Human Services and Elder Affairs Committee.

Houston told the young people that our country is based on the idea that "Not only can you fight city hall, but you should fight city hall. Any idea you have to make things better is a good idea and you should talk to your fellow citizens about it." He also remarked, "We are only going to be as good as the citizens we work for."

Following their opening remarks, Kollios and Houston fielded questions from the audience of seventh graders. In response to a question on lowering the drinking age, both Kollios and Houston were in accord that it should remain the same.

In answer to a question on the problem of teenage pregnancy, Kollios replied that he is a strong advocate of family and sex education in the schools.

When asked for their opinion on lowering the driving age, the surprised legialators answered with an emphatic "No!"

Both Houston and Kollios spoke against capital punishment, the final issue brought forth by the youngsters. After considerable

Those who have drawn nomination papers for election to the proposed 9 member Charter Commission are: Ethel O'Day, Karen Maynard, Lawrence Moore, David Streiby, Bruce Davis, Ronald Pierpont, Ralph (Bud) Gurney Jr., Wallace Johnson, Carl Licopoli. The Charter Commission will consist of the nine top vote-getters, including any write-in votes, who will serve without pay for 2 years.

The only question to appear on the ballot will read: "QUESTION #1: "Shall a Charter Commission be elected to frame a Charter for the Town of Sutton?"

Town Clerk Ethel O'Day advises those casting ballots in the election to vote for nine candidates even if they intend to vote against the establishment of a Charter

STALLED POLICE NEGOTIATIONS LEAD TO JOB ACTION

MILLBURY. On Thursday, February 26, Sgt. Glen Parath, president of Local 128 of the Massachusetts Coalition of Police, AFL-CIO, announced the beginning of a "Work to Rule "job action which is designed to draw further attention to the stalled negotiations with the town. The negotiations have been on-going since the police contract expired June 30, 1986.

A "Work to Rule" action means that the officers will perform all their duties to the letter of the law and not beyond. "We don't have to give tickets," Parath said, "we can write warnings." The impact of this action is to reduce the amount of revenue that comes into the town from traffic violations. Parath estimates that approximately $63,000 came back to the town last year.

According to Parath, this action comes after a long and protracted series of sessions during which the town has sought to completely re-negotiate the contract. Parath stated that there were no serious flaws in the recently expired contract and that the Union is frustrated and discouraged with what they see as an attempt on the part of the town to take back agreed upon language. This they feel

MILLBURY SELECTMEN'S MEETING DIGEST

By Edward J. Cooney

FEBRUARY 24

Following the Board's discussion and correction of several Minutes of previous meetings, the Selectmen met with Town Auditor Roger Picard concerning his recommendation to hire a private auditing firm to audit the town's finances. Picard recommended Robert Brown of Mendon at a cost of $16,000. Two other firms had bid on the contract, Arthur Young at $20-22,000, and Main Hurdman at $14,500.

The Board unanimously approved Picard's recommendation.

- At 7:30 p.m. a Public Hearing was held on a request for the transfer of a liquor license from Greenlawn Enterprises, Irene Gardner, Manager, to Millview Corporation, with Irene Gardner as manager.

Kevin O'Brien of Natick represented the sole stockholder and officer, Mr. Castagnetti.

Castegnetti stated that it was his intention to make use of all facilities held under the previous license holder. Future plans would depend upon the outcome of plans now before other boards in the Town. Castegnetti indicated that the golf course would be open and available for patrons this year.

William Connor, a 20 year member of Clearview Golf Course, spoke in favor of the license transfer. There was opposition and the Selectmen approved on a unanimous vote.

- At 7:45, Brent Lerch, recently appointed to the Personnel Board, met with the Selectmen. Chairman Adams noted that the Personnel Board was not functioning as a Board because of the difficulty in finding volunteers who would qualify for appointment. He explained that there are presently two members, but one does considerable traveling and the other is a member of the Town negotiating team.

Selectman Jude Cristo stated that he had concerns regarding the number of members required to make up the Personnel Board. He suggested that an article may have to be presented at the Town Meeting to change the number of members from five to three.

In response to questioning by Adams, Lerch stated that he had 12 years background in the personnel environment, working in both middle and lower management levels. In addition, he has had both union and non-union experience, but not extensive experience in dealing with municipalities.

Adams said, "I appreciate people who are willing to give of their talents. I have concerns about our Personnel Board. One of the first challenges of the Personnel Board could be to look into reviewing and amending by-laws so as to make it more effective."

Lerch also noted that in the future he would be interested in serving on the Board of Appeals. "There are inequities I have seen in relation to by-laws," he stated.

Adams replied that, from past experience, when an opening occurs opportunities usually are there.

The Selectmen then moved to "Old Business".

- Adams stated that a letter was received from Joseph Sullivan seeking support from the Selectmen with regard to his request to fill a state appointed position on the Millbury Housing Authority. Sullivan's letter generated some discussion concerning the Conflict of Interest Law, notably the "Advisory on Nepotism".

Donnelly expressed concern with the nepotism aspect, noting that Sullivan's wife is the Director of the Housing Authority.

Adams remarked that the Board of Selectmen is not responsible for making the appointment. Cristo indicated that the State may already have a candidate for the position.

Gauthier moved to support Sullivan's letter. As there was no second, his motion failed to carry.

- A discussion then developed among the Selectmen concerning Ramahorn Dam and a drainage problem that still remains since completion of the project. Chase informed the Board that the engineers (SEA Consultants) concluded it to be a town problem.

Adams stated that it was expected that the work would be done adequately. It was noted that some work had been done at the spot where the drainage problem has developed. The run-off water is not flowing into the basin, but around it.

Donnelly suggested that a letter be sent to the engineer indicating that the Board wanted the problem solved.

- Chase indicated to the Selectmen that appendixes to the contract for the Dorothy Pond Restoration were complete. Cristo noted that if monies for the year were not spent the Town would lose the money.

- Adams noted that there was nothing new on Lewcott Chemical, except what was in the newspapers.

By Rosemary Waltos

Don't miss any of the activity planned for March at the Millbury Public Library. To help you sort through these activities, we put together our March calendar that includes hints of what's to come in April. We hope you'll clip this calendar out and hang it on your refrigerator, kitchen cabinet door, next to your phone or on your night stand. Just don't forget to visit us in March.

MARCH HIGHLIGHTS

MARCH 3, 10, 17 & 24, 3:30-4:30: GRAF-X. A one hour introduction to the graphics capabilities of the Apple Mouse. Upon satisfactorily completing a short test, "Graf-X X-perts" may reserve time on the Apple Computer to develop their own designs. For those in grades three and up. Registration a must.

MARCH 10, 17, 24 & 31: Beginning Watercolor. An introduction to various watercolor techniques from beginning sketch to finished product. For children ages ten through sixteen. Registration necessary.

MARCH 15, 2:00-3:30. Scott Alarik. Alarik is originally from Minnesota and has been performing professionally for 15 years. He is a songwriter and storyteller with a bass-baritone voice and wry, backbeat wit. Much of his ballads and story songs center on the legendary 19th century Francis James Child, who is famous for what we know today as the "Child Ballads". Alarik was featured on "Prairie Home Companion", the popular public radio series until 1985. In addition, he has been featured at many of the major folk festivals including Winnipeg and Philadelphia. He has two albums to his credit. This is sure to be a performance that will delight both young and old alike. Don't miss it.

MARCH 18-28: Every Picture Tells a Story. A display of art from Millbury's talented teens. Don't miss an opportunity to see the work of our aspiring artists on display in the meeting room.

MARCH 6, 13, 20 & 27, 3:00-6:00: Free Tax Assistance. Every Friday throughout the tax season, a tax assistant from the American Association of Retired Persons will be available to give free tax assistance in filling out your 1986 tax forms. Call ahead for an appointment.

MARCH 24, 10:00-11:30: Growing Up, by Russell Baker. What consumes 40 hours a week, 2000 hours a year? Working -- it's making a living and making a life. let's talk about it at the Library. Join us for coffee, tea and discussion on work in a changing America. The first book in this reading/discussion program is Growing Up, by New York Times columnist, Russell Baker.

MARCH 1-31: Help Someone See Month. Save and donate your discarded eyeglasses for distribution in Third World countries by Medical Group Mission of the Christian Medical Society. Drop off your old "eyes" and let the Library help you help others.

SELECTMEN from Page 3

Donnelly stated that what they (Lewcott) are doing in Worcester they will be doing in Millbury when they transfer some of their production over. "We don't want another summer with odors," he said.

Cristo noted that the Worcester Telegram and Gazette had not given as much coverage to the Millbury situation as they had to the Worcester situation.

- Adams inquired from Chase if any response had been forthcoming from Mr. Courtney concerning the sale of the Providence Street School. Chase noted that the Board's counter-offer had been received by Courtney and that he is looking at it. However, he had posed several questions concerning the counter-offer.

- Next, Donnelly stated that he had not been given all the information needed by the engineers working on the development of the Millbury Avenue property. No action was taken on a request for a street opening to connect to the existing drains on Millbury Avenue.

- At 8:45, the Board met with Chief Brady relative to a report by a Police Department Officer indicating that gambling had taken place at the Anchor Lounge, Wheelock Avenue, on Sunday afternoon.

Adams noted that he was not sure where the Board stood on the issue. He indicated that there didn't appear to be a strong case, as no arrest or citation was issued. "No one has been convicted of gambling," said Adams. "If arrests were made we could do something."

Cristo recommended that a letter be sent informing the owner that it was not an appropriate activity and that a copy of the state statute be included.

The Board took no other action nor did they act on the recommendation of the police officer that a suspension be invoked.

- It was also noted by Brady that the 60 or 70 unregistered cars on McCracken Road were to be removed by court order. The owner had been given an extended period of time due to the snow.

- In other action, the Board accepted the resignation of Tom Dunford from the Cable T.V. Committee.

- No action was taken on two other agenda items concerning a building permit by Jon LeClair and a request for a Class III license by Mrs. Gardner.

SOLID WASTE CONFERENCE SLATED FOR MARCH 13

WORCESTER. The price of trash removal in the region has tripled in the last year and a half. As the price continues to escalate, the number of landfills has dropped by over 50 percent. What, if any, are the solutions?

"Take My Trash Please -- A Regional Conference on Solid Waste: The New Legislation," a program designed to explore this highly controversial issue, will be held Friday, March 13 at the Sheraton-Lincoln Inn, 500 Lincoln St., from 7:30 to 9:15 a.m.

Keynote speaker state Rep. Steven V. Angelo (D-Saugus) will discuss the Governor's Solid Waste Bill (HB 1020) which he authored. The bill seeks to make the state more financially and politically involved with the issue.

The conference, co-sponsored by the Worcester Area, Auburn, Blackstone Valley, and Westborough/Northborough Area Chambers of Commerce, will offer an informative look at solid waste disposal, how it affects business, what's being done to alleviate the problem, and how the public and private sectors can help.

Cost for the program, which includes breakfast, is $10 per person. For more information, or to make reservations, contact Rebecca Goodwin at 753-2924. Registration deadline is March 10.

BURNING PERMIT

MILLBURY. Starting January 17th, Burning Permits will be available at Fire Headquarters on Elm Street from 9:00 a.m. to 1:00 p.m. SATURDAYS ONLY.

What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues rhyme and the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

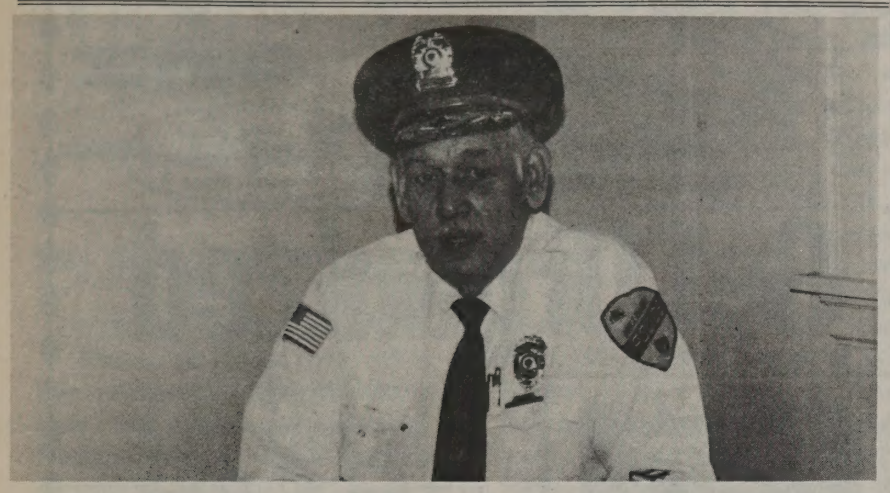
CHIEF BRADY CELEBRATES 32 YEARS ON THE FORCE



"I get a lot of satisfaction from my job." So says Millbury Police Chief George Brady as he celebrates a 32 year career as a law enforcement officer. Chief Brady, a native of Millbury, began his career on March 2, 1955, choosing to give up a $116 a week job at New England High Carbon for a $60 a week position as a Patrolman.

Recalling his early years on the force, Brady noted, "We didn't even have cruisers when I began. We had to use our own cars."

From 1955 to 1965 Chief Brady worked the 6:00 p.m. to 2:00 a.m. shift, six days a week. In 1962 he was promoted to Sergeant and then to Detective Sergeant, placing him in charge of all investigations. He recalled one investigation which was solved with the help of witnesses who identified the car the robber was driving and the clothes he was wearing. The suspect was apprehended, and the then Detective Sergeant Brady had the good sense to take a Polaroid picture of him. It was this photo that proved to be the deciding factor in the conviction, as the felon had since grown a beard and challenged the witnesses identification.

In 1977, Brady was appointed Chief of Police and has served in that capacity ever since. "Police work has been my life," he said. "I like being on the street doing police work. I get the most satisfaction from helping people, not arresting them."

SUTTON YOUTH TO PERFORM IN BALTIMORE CONCERT

SUTTON. Robert Dick of Sutton has been accepted as a performing group member in the 1987 All-Eastern Honor Groups. As a member of the All-Eastern Orchestra, he will perform a concert on March 9th at the Baltimore Arena in Baltimore, Maryland. Robert's instrument is the Double-Bass. The event is sponsored by the Music Educators National Conference, 1987 Eastern Division.

Robert is the son of Harold and Beverly Dick of 17 Uxbridge Road. He is a senior at Sutton Memorial Junior-Senior High School. Robert was Principal Bassist in the 1987 Central District Orchestra, and has been accepted as a member of the 1987 All-State Orchestra. He is also a member of the Greater Boston Youth Symphony's Senior and Chamber Orchestras.

Robert has been accepted to Berklee College of Music in Boston.

discussion from the students, both pro and con, Kollios called for a show of hands both in favor and against capital punishment. The response appeared to be 2 to 1 in favor.

With a show of hands, students vote 2 to 1 in favor of capital punishment

Kollios and Houston next appeared at a luncheon sponsored by the Millbury/Sutton Businessmen's Association, where they listened to concerns ranging from environmental issues to inadequate phone service.

Following lunch, the legislators proceeded to Omni Resources on Howe Avenue, where they donned protective caps as they toured the facility. See picture on Page 11

Houston and Kollios then proceeded to Centerview Apartments where they met with Irene Sullivan, Director of the Millbury Housing Authority, and Anne Campbell, representing the District Nursing Society. Mrs. Sullivan presented a model of a proposed congregate housing structure to be located on Colonial Drive, which will house 23 people. Residents of congregate housing will share a common kitchen and livingroom. The structure is also scheduled to house an adult day care center to be run by the District Nurses.

Houston and Kollios pledged their support in assisting both the Housing Authority and the District Nurses in finding available funding for the project.

HIGH SCHOOL DIALOGUE

By Roger Desrosiers

COURSE SELECTION SHEETS

Students in Grades 9, 10, and 11 have received their subject selection sheet and program of studies. Members of the guidance department explained the program of studies booklet and how to fill out the subject selection sheet in each of the students' English classes on Monday, March 2. Now students, along with their parents, must decide what courses are best for next year. Students may select from three areas of study: College, Business, or Career. Once this is determined, the guidelines in the program of studies will assist you in selecting the appropriate courses.

Once again, students are encouraged to take six courses (not including the required two periods a week of physical education). This still leaves the student with three studies a week. All subject selection sheets are due back in school by Wednesday, March 11. Parents must sign the form to indicate their approval. If there are any questions in the meantime, please feel free to call the High School Guidance Department, 865-3844.

STAFF RECOGNITION DINNER

On Wednesday, March 11, the School Committee will recognize members of the Millbury School System for their years of service. Staff with 15 to 19 years of service, 20 to 24 years of service, 25 to 29 years of service, and 30 years or more, will be feted at this dinner which will be held at 5:30 in the High School Cafeteria.

DRAMA CLUB PLAY

On Friday, March 20, and Saturday, March 21, at 8:00 p.m. in the High School Auditorium, the Drama Club will present a full length comedy farce called, "The Worst High School Play In the World". Tickets go on sale this week and are available from all cast members and at the Principal's office. Prices are $2.50 for students and senior citizens, and $3.50 for adults. A special "family" rate is also available. The "family" rate includes all members of a household including grandparents whether they reside in the family's home or not. The price for all family members is $10.00. Sounds like a tough deal to pass up.

The play is about an heir-apparent, "boy-child" named Ivahna (played by Dean Giovanucci, Senior). His life, threatened by the evil uncle Visera (Mike Gosselin, Senior), causes the boy's mother (Nikki Pappas, Senior) and sister (Tina Campanale, Junior), to flee. Fearing that the uncle will find them, they leave the child in the forest, hoping that he will survive. A family of squirrels (Cathy Sikes, Junior, and Julianna Pultorak, 8th grade), rears the boy until he is fourteen years old. At this mature age, his "adopted" parents inform him that he is not a squirrel but a human. The rest of the play revolves around his coming to grips with this revelation and seeking out his true destiny in life. He is helped by the friendly Friar Fred (Mark Gonya, Senior), Abbot of the Dabney Abbey. Along with Friar Fred and the love of the beautiful Lady Lenore (Gina Gagliardi, Senior), Ivahna's story progresses to a most unlikely but happy ending.

Mr. Gene Genese, drama director, and the students, have been in rehearsal since their return from the Christmas holidays. How about showing your support. Winter's coming to an end and spring arrives on Friday, the 20th. So, get rid of the winter blues and spend an evening filled with laughter and fun.

PACK 143 HAS BUSY FEBRUARY
By Bruce Davis

St. Mark's Sutton

We held our monthly pack meeting on the 24th of February. A good time was made better by the best anniversary cake Pack 143 has seen, thanks to the expert work of Diane Leber.

Some very interesting trips were taken by our scouts in January and February:

DEN #1 went on a trip to South Division Fire Department in Worcester where they all had an "uplifting" experience thanks to the scope tube (maybe next time Mrs. B.) A big thanks to Robert Nelson for arranging the trip.

DEN #3 had a good time knocking pins down at the T-Bird Bowling lanes in Auburn. They are also working hard on their spring flower planters.

DEN #6 visited the Sutton Police and Fire Stations on February 20th.

DEN #7, in addition to a visit to the police and fire stations, went on a special trip to McDonalds on Greenwood Street for a tour of their facilities.

DEN #8 went to the Milford skate palace on February 26 where they had a great time.

THE WEBELO'S DEN had a visit from William Desrosiers. Bill, an Eagle Scout and former member of Troop 109 in Millbury, talked of his trips in scouting, showing the future boy scouts what to look forward to. Thanks a lot Bill.

On February 19 we headed down Route 9 to Framingham to tour the General Motors plant. A great time was had by all and our thanks to Mr. Bjorn for making the arrangements. After the tour, the boy's went to the Union House Restaurant.

The Pine Wood Derby roll off is being held on March 6th at the North Grafton Elementary School. Check in time is 6:30 p.m. and racing will start at 7:00 p.m.

Scout Sunday was observed on February 8. The Boy Scouts from Troop 143 and Cubs from Pack 143, attended the 9:30 Mass at St. Mark's.

Congratulations to the following boys for their advancements:

WOLF: Justin Newton, Michael Fields;
BEAR: Eric Varin, Matt Burns, Ian Newton;

Matt Towne, Artist, Athlete; Mark Scanlon, Athlete, Citizen; Matt Bailey, Aquanaut, Sportsman; Bruce Davis, Citizen; Andrew Bjorn, Naturalist, Scholar; Nathan Osterman, Gold Arrow; Erik Bjorn, Silver Arrow; Bill Nelson, 4 Silver Arrows; Jay Conley, 1 Gold and 3 Silver Arrows; Brian Swallow, 1 Gold and 3 Silver Arrows; Neil Petkas, 1 Gold and 3 Silver Arrows; Scott Wassell, 1 Gold and 3 Silver Arrows; Rich Beardsley, 1 Gold and 3 Silver Arrows; Jonathan Moore, 4 Silver Arrows; Mark Faron, 1 Gold and 3 Silver Arrows.

March 31 is our next pack meeting. This month is the den mother's dream - our yearly skit night. Mr. Bjorn promises to give us a yodeling lesson if they are all good.

KRISTEN MAKI OF SUTTON NOMINATED FOR UMASS PROGRAM

SUTTON. Kristen Maki of DeWitt Road is the 1987 Sutton High School nominee for the University of Massachusetts at Amherst Chancellor's Talent Award Program. Each year, Massachusetts high schools nominate juniors who demonstrate excellent academic potential for college, based on grades and P.S.A.T. scores. These students and their parents are then invited to the University for a tour and luncheon. Nominees will be tested and from these test results, 31 Merit Scholarships will be awarded, providing a four year waiver of tuition worth $5,184.00 at current rates.

The school has announced that they are pleased to recognize Kristen for her achievement to date in high school, and hope that she enjoys her day at the University of Massachusetts Amherst.

FLEA MARKET AND RUMMAGE SALE

GRAFTON. The Unitarian Universalist Society of Grafton and Upton, 11 Grafton Common, is holding its annual Flea Market/Rummage Sale on Friday, March 6, from 7:00 to 9:00 p.m. and Saturday, March 7, from 10:00 to 12:00 noon at the church. The sale will include all-season adult and children's clothing plus the gamut of flea items. Doors will open promptly at 7:00 p.m., but not before.

INSURANCE ISN'T JUST A POLICY.

It's people helping people.

Insurance is a lot more than just rates, premiums, and coverages. It's people helping other people.

At the Protector Group, we understand that. We know that to be a good insurance agency, we have to be a good listener. We believe that to provide the proper coverage to a person or a business, you must take the time to understand that person's or company's needs.

It's these simple truths that have helped us grow to be one of the largest independent insurance agencies in Central Massachusetts. Because when you know the names and faces behind the policies—as we do—you work a little harder to protect them.

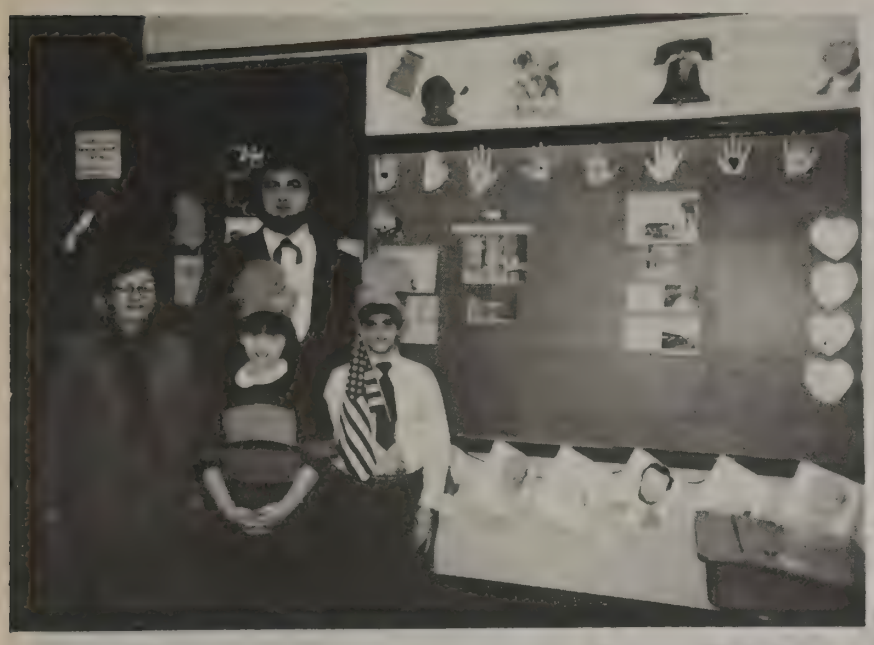
ASSUMPTION SCHOOL NEWS
By Grace Laflash



(Pictured are Grace Laflash, Heather McQuiston, Abe Lincoln [Michael McQuiston], and Brian Grandomenico)

Echoes of "Good Morning, President Lincoln" could be heard as a tall, bearded figure entered Grace Laflash's fifth grade classroom. It was Abe's birthday and he had come to visit. The students had duly prepared for this joyous event. The welcome sign was prominently displayed and Lincoln silhouette hats adorned each head.

After the welcoming speech was read and a chorus of "Happy Birthday" was sung, Mr. Lincoln presented a summary of his life. At the conclusion, each child received a penny taped to a red lollipop, courtesy of Mr. Lincoln (Michael McQuiston) and his daughter Heather, a fifth grade pupil.

One ardent fan requested an autograph and then the demand was repeated by all those present.

Abe Lincoln also briefly visited grades one through four where pennies and pops were distributed, then grades six through eight.

SELECTMEN SCRUTINIZE SITE PLAN

By Karen Potter

Sutton Selectmen met in workshop session on February 24, 1987. The meeting was convened at 7:40 by Chairman John Reed who outlined several topics to be addressed in future meetings. Appointments to the Personnel Board, to the Blackstone Valley Regional Development Council, and to the Sutton Industrial Commission will be included in upcoming meetings. Recent attention to the subject of nepotism at the county level has prompted Reed to include this subject in the list of matters to be reviewed.

Earlier this week, Reed fielded a telephone call from Mrs. Helen Brophy of Worcester, who sought confirmation of information concerning the extension of a sewer line to a house lot which she and her husband have reserved by deposit. The Brophys had responded to an advertisement in the Sunday Telegram Classified Section. The lot, located at the corner of Leland Hill and McLellan Roads, was being marketed by Prime Realty Plus of Framingham, as part of a subdivision.

Several questions arose as to the propriety of the pending sale. According to Reed and the office of the Tax Collector, Prime Realty Plus does not own the parcel in question. The owner of record is the United States Farmer's Home Administration. In addition to the question of ownership, Reed informed the Board that the subdivision is still in the preliminary site plan stages.

Reed stated that even if the Sewer Commission agrees to extend the sewer line into the subdivision it would be impossible for the paperwork to be processed, let alone have the line installed by April, as it was apparently represented to Mrs. Brophy. Upon examination of the preliminary site plan, the Selectmen discovered that at least two of the proposed lots would be more difficult to hook up to water and sewer than the others, one of those being Mrs. Brophy's lot.

Further study showed that the plan indicates installation of three pumping stations for water and sewer. According to Reed, the Sewer Commission does not intend to install any stations and the DEQE will not approve any pumping stations which are owned and/or maintained by private corporations consisting of individual landowners.

At 8:05, the Selectmen went into Executive Session with the Earth Removal Board to discuss possible charges being brought against a town official. At 9:15 the meeting was reopened at which time the Selectmen declined to reveal the name of the public official or discuss the nature of the allegations. No comment will be forthcoming until the matter is resolved and Selectmen stated that they do not know when that will be.

In other business, Administrative Assistant Bob Reed reviewed several items of current business. The appointment of a Sealer of Weights and Measures for the Town of Sutton was discussed. A quotation for performance of such services from Joe Brady of Grafton, which amounted to $1,000, was received by the Selectmen's Office. Wally Johnson, who performed that function many years ago, expressed his opinion that the position should be filled by a town resident. Reviewing the procedures he followed, he stated that the Town already owns the required equipment and all that would be required would be to have someone trained by the Commonwealth Bureau of Weights and Measures.

Selectmen have resolved to respond to the House Ways and Means committee's favorable report on House Bill #H1745. This bill would require binding arbitration in contractual negotiations with public safety employees. The Board asked Bob Reed to draft a letter to Representative Richard Moore outlining their objections to such legislation.

The meting was adjourned at 9:27 p.m.

POLICE from Page 1

is a senseless waste of taxpayer's money.

The job action upon which the Union has decided will in no way endanger nor inconvenience the residents of Millbury. Parath explained, "We are simply going to issue 'Warnings' instead of issuing tickets." He was quick to add that any serious motor vehicle violation would be handled in the usual manner.

In addition, the police officers will not perform many of the small duties which they have taken on. "We do a lot of small things that we don't have to and that help the town. For example, we have been washing the cruisers ourselves. We even bought the hose and equipment we needed. We're not going to do that anymore. On week-ends there isn't a maintenance person working, and we dispose of our own trash; we're not going to be doing that anymore. There are a lot of small things that we do, not because we have to but because it helps the community and the town. These are the duties which we're going to stop." Parath explained that the officers took no pleasure in voting this job action.

When asked to comment on the bargaining talks, Selectmen Wynton Adams, chairman of the town's negotiating committee, stated, "Our efforts are better directed to conducting our negotiations at the bargaining table and not in the media."

Adams made it clear that he feels both sides can reach an agreement. "It's a case of understanding each others needs," said Adams.
